

The 16th International Exhibition "Transport and Logistics - TransUzbekistan-2019" started its work today in Tashkent. Leading companies of the transport industry of Uzbekistan, Kazakhstan, Tajikistan, Kyrgyzstan, Turkey, Russia, Iran, China, UAE, Korea and other countries gathered on one platform. At this international forum “Uzbekistan Airways” JSC exhibits its services in passenger and cargo transportation in the section of air transport for the first time. Visitors and guests of the exhibition will be introduced to the wide geography of flights of the national air carrier of Uzbekistan, its fleet, opportunities for transportation of all types of cargo anywhere

in the world, offered tariffs and benefits, organization of scheduled and charter flights, etc.

- Our airline has established itself in the market of transport services as a safe and reliable carrier, which offers an extensive network of flights and a wide range of services for both passenger and cargo transportation, - says Zhanna Rodionova, head of the department of support and booking control of the Cargo Department of the Department of Marketing and Sales of “Uzbekistan Airways” JSC - Participation in this international forum will allow the airline to demonstrate its capabilities as a link between Asia and Europe.

Due to its scale and international format "TransUzbekistan-2019" will become an effective tool to promote the services of "Uzbekistan Airways" and establish new ties.

The annual exhibition "Transport and logistics - TransUzbekistan" in Uzbekistan contributes to the development of transport infrastructure, improvement of logistics systems, attraction of innovations and investments, as well as growth of international traffic throughout the Central Asian region. Today, “Uzbekistan Airways” operates passenger flights to more than 60 cities around the world, as well as up to 18 charter cargo flights a week to the Czech Republic (Ostrava), Germany (Frankfurt), China (Shanghai, Urumqi), South Korea (Seoul), Turkey (Istanbul), etc.
