

LLC "Yemelyanovo Airport" announced "Uzbekistan Airways" as the most dynamically developing foreign carrier according to the results of work in 2019.

Diploma and a commemorative sign of “Yemelyanovo International Airport” were presented to the representative of “Uzbekistan Airways” in Krasnoyarsk at the traditional annual awarding ceremony of air carriers for their contribution to the development of international transportation at the airport.

To date, "Uzbekistan Airways" operates regular flights from Tashkent to Krasnoyarsk airport with a frequency of one time a week.

According to the results of 2019, the airline has served 15289 thousand passengers at the airport "Yemelyanovo", exceeding by 6% the figure of 2018.
