Further information and explanations

Dear Participant,

Thank you for your interest in participating in the procurement of basic aircraft tyres, as well as the service of their further recovery to maintain the airworthiness of aircraft Airbus A321neo size 1270x455R22 for the needs of JSC "Uzbekistan Airways". Below are the qualification requirements based on which we will select the best bidder.

The requirement for participants:

- 1) commercial offer for the purchase of Airbus A321neo main aircraft tyres size 1270x455R22 in the official list of the company;
- 2) commercial offer for the service of restoration of Airbus A321neo main aircraft tyres size 1270x455R22 in the official list of the company; provide a commercial proposal in the official company sheet;
- 3) the provided service must be performed by an organisation that has a certificate for such type of work recognised by the manufacturer of this product;

As a reminder, please carefully read the instructions provided. When submitting your application, make sure all documents are attached and sent to procurement@uzairways.com. If you do not send all required documents to the indicated email address, your proposal may be disqualified.

As a reminder, it is strictly prohibited to communicate directly with JSC "Uzbekistan Airways" personnel during the Contest period. Please send any questions regarding the Contest documentation and procedure during the submission period **ONLY** to procurement@uzairways.com.

For clarification, at the time you submit your proposal, please indicate in your email that you are submitting a proposal. You may zip or RAR your files or submit them uncompressed or unarchived. Please use one of these options, as using other submission methods may make it difficult to open and review your proposal.
